

# LWW Health Library: ACSM Certification Suite

## Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

**LWW Health Library: ACSM Certification Suite** supports learners and instructors focusing on the American College of Sports Medicine's (ACSM) Group Exercise Instructor, Physical Trainer, or Certified Exercise Physiologist exams, by helping them prepare for their test, achieve success on coursework, and deliver better outcomes to their clients.

## Essential Educational and Clinical Content for Exercise Science Training

### LWW Health Library: ACSM Certification Suite includes:

- 11 core textbooks for learners and instructors (full list on reverse)
- Over 180 video and audio files demonstrating core techniques and featuring expert commentary
- More than 1,600 self-assessment questions—with explanations—for identifying areas where users need the most support
- Over 1,200 images, downloadable as PowerPoint slides
- Case studies and forms to familiarize students with working with clients in their professional careers
- Content updated regularly!

## Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia tools for teaching, learning, and practice.

- **Highly-rated references:** Trusted, core texts from Lippincott Williams & Wilkins, making it a one-stop, digital portal for authoritative content paired with industry-leading functionality
- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing:** Create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation
- **Ovid MEDLINE widget:** Connects students to valuable primary literature with an exclusive search widget, which returns targeted results and article previews
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource
- **Responsive Design:** Browse content on your computer, tablet, or smartphone with ease
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give residents control over their progress and motivation to learn
- **Sharing:** Much content, including technical videos, can be shared with colleagues and classmates
- **Print/save a chapter:** Download chapters via pdf, for easy access to content when offline — for note-taking or to print
- **Multimedia ancillary content:** Access videos, images, Q & A, patient education handouts, and more
